

RS232/USB interface

5 KV INSULATION TESTER

Model : DI-6500

ISO-9001, CE, IEC1010

FEATURES :

- * Measurement Range : 100 K to 250 G .
- * Test Voltage : 500 V, 1000 V, 2500 V, 5 KV.
- * Auto range.
- * Auto power off.
- * Backlight function easy readout.
- * Automatic zero adjustment.
- * Automatic discharge circuit.
- * Built-in over-input and low battery indication.
- * RS232 / USB computer interface.
- * Optional USB cable, USB-01.
- * Optional data acquisition software.
- * Powered by AA (UM-3) 1.5V x 8 batteries.
